

Delivery Information:

1. Orders will be dispatched in 5-7 working days.
2. There might be a delay in dispatch if the product is under production.
3. For orders placed in India, the shipment is via DTDC or Professional Couriers & International shipment via DHL.

The production time would be mentioned in the product description, products that are made on order require 2 -4working days to dispatch. After dispatch, for within India, the shipping takes 2 – 4 working days, for international orders, the shipping time depends on the country.

We are committed to delivering your order with good quality packaging within the given time frame. We ship during the weekdays, except for weekends and public holidays. We are not responsible for any delays in delivery by the courier company but will definitely help you track down your package through our partnering courier company.
